- Complete all questions** on the claim submission form.
 - » When entering the price per tire – include only the cost of the tire. Installation, taxes and fees are not eligible.
 - » The total estimated tire cost should equal: Price per Tire multiplied by the Quantity of Tires.
 - » If submitting for an Alternate Payee, the name on the Quote/Final Invoice and Registration **MUST** match.

5. Attach the Tire Invoice – Any of the below requirements not met will result in an Incomplete status on your claim and payment will not be issued until resolved.

Invoice Requirements:

- » Must clearly show the Dealer Name and Address
- » Must clearly show the name of the purchaser and vehicle information
- » Must clearly show the quantity, tire brand, tire model/tread type and tire size
- » Must clearly show payment transaction (cash, check, credit card).
 - For online orders, Proof of Shipping, Delivery or Installation is required

6. Attach current Vehicle Registration – Any of the below requirements not met, unless a noted exception, will result in an Incomplete status on your claim and payment will not be issued until resolved.

Registration Requirements:

- » Must match the name of the Purchaser listed on the Tire Invoice
- » Must match the vehicle listed on the Tire Invoice
- » Must not be expired on the date of the purchase on the Tire Invoice
- » Must not be effective after the date of the purchase on the Tire Invoice

Registration Exceptions:

- » If the vehicle was purchased within the last 30 days and the registration has not been received, a bill of sale may be used as an accepted form of documentation.
- » For Utility trailers – if your state of residency does not require registration of utility trailers, a title may be submitted as proof of ownership.
- » Bicycle tires do not require a vehicle registration or title.

MICHELIN EMPLOYEE SERVICE AWARD (PREFUND) BENEFIT
